GOOD THINGS ARE HAPPENING AROUND WASHINGTON SCHOOL

Congratulations to the nineteen 4th, 5th and 6th grade students that will be eating lunch with the principal on May 1st. These students have been on Principal's List at least twice this school year. All nineteen students should be commended for their hard work and dedication. In addition, we will be having forty-five students at our 3rd Quarter Honor Roll Ice Cream Social on May 1st.

We are very proud of the hard work, good behavior and excellent study skills these students show on a daily basis.

Happy Memorial Day!

W.O.W. Update

A big thank you to our parent group! WOW is supporting many of our special events during the month of May. They are sponsoring our Honor Roll Ice Cream Social, Safety/Service Squad trip to the Toledo Mud Hens, Spoon Man Assembly, as well as popsicles for Field Day. In addition, they have contributed \$3,000 to Washington's new leveled book library.

The next W.O.W. meeting will be held on Thursday, May 14th at 6:30 PM. Please join our parent group as we elect new board members and plan for the end of this school year, as well as next year.

SPRINGTIME SAFETY REMINDERS

Now that the weather has warmed up, please take the following reminders into consideration when dropping off/picking up your child:

- Pets are not permitted on school grounds.
- Please do not drop your child off in the middle of the

street. Park your car before allowing your child to exit the vehicle.

- Students should be waiting outside before school (unless it is raining).
- Remind your child to look both ways before crossing the street.

A B Cs Of Student Success

P is for PARENT INVOLVEMENT.

Research shows that students with parents who are involved in their education have higher achievement. You can get involved in your child's education by...

- reading with your child each night. Regular reading improves many skills. It reinforces that reading is a valuable and pleasurable activity.
- volunteering at school. Call your child's teacher for ideas about how you can help at school or from home.
- attending school activities. Be your child's number one fan!
